Position your brand as a trailblazer across the Cybersecurity landscape

In South Africa, organisations face escalating cyber threats, complex and evolving regulatory landscapes (including the new POPIA Amendments 2025), and the challenge of integrating cutting-edge security architectures amidst resource constraints and skills gaps. These pressing issues demand robust solutions.

Partnering with the Cybersecure Conference as a vendor positions your brand directly as a critical solution provider in this challenging environment. This event is your prime opportunity to network extensively with key decision-makers that is CISOs, IT directors, financial executives, and legal/compliance officers, who are actively seeking expertise and innovation to navigate these complexities.

- ✓ **Direct Market Penetration:** Access a highly targeted audience actively seeking solutions for immediate challenges.
- ✓ **Accelerated Brand Authority:** Elevate your company as a leading solution provider and thought leader.
- ✓ **Strategic Lead Generation:** Generate high-quality leads from engaged decision-makers.
- ✓ **Influence Industry Trajectory:** Contribute to and help shape the future of cybersecurity in South Africa.

Don't miss out on the chance to elevate your brand and connect with industry leaders at the Cybersecure Conference by partnering with us.

Interviews from industry leaders

We are thrilled to extend an exclusive invitation to key cybersecurity industry leaders who are eager to share their innovative solutions, digital defence transformations, and successful case studies within the complex digital landscape. This interview opportunity provides a prime platform for technology companies to elevate their company profiles, capture the market, and position their brand as cybersecurity market leaders.

Your expertise and insights as a partner in the cybersecurity industry play a vital role in educating industry executives and fostering innovation within the sector. By participating in these interviews, you will have the opportunity to showcase your achievements, share best practices, and bridge the gap on critical cybersecurity transformation.

Roundtables and Webinar Events

Contribute to the advancement of the cybersecurity industry by sharing your knowledge, cutting-edge solutions, and best practices with a wider audience.

Host an exclusive roundtable or webinar event designed to address the pressing challenges within the cybersecurity market and connect the right digital defense technology solutions to security and industry executives across South Africa.

These events provide a unique opportunity for cybersecurity leaders to converge, share critical insights, and discuss strategic approaches for overcoming obstacles in today's rapidly evolving threat landscape.

CYBERSECURE CONFERENCE

Terms and Conditions

1. Vendor packages are inclusive of corporate branding on all our marketing materials and website.
2. Promotions: Gifts can be handed out to the attendees.
3. Once your package has been confirmed you our team will reach out to you to collaborate on your branding and requirements.
4. Payment Terms: Upon completing this contract, full payment is required to finalise the process. Signing this contract establishes a legal and binding contract between your organization and Provision Research on behalf of The Food Connect Forum. An invoice will be issued thereafter.
5. Admission may be refused if payment is not received on time, unless you have notified us of any delays in payment.
6. Payment terms require payment to be made once the invoice has been issued. Non-payment or non-attendance does not constitute cancellation.
7. Cancellations: All contracts carry a cancellation liability. Cancellations has to be done in writing three (3) weeks before the event. If cancellation is less than ten (10) days there will be a 50% penalty fee by your organization.
8. By signing this contract, the client acknowledges that in the event of dispute or cancellation, Provision Research cannot mitigate its losses for less than the total contract value.
9. If Provision Research decides to cancel or postpone the event for any reason, clients are responsible for their own airfare, hotel, or other travel costs. However, the vendor package fee will be refunded or credited towards a future event.
10. Data Protection: Our clients confirm that they have requested and consented to Provision Research retaining their information on Provision Research's database to be used by Provision Research to assist in communicating and selling products and services which may be of interest to the client.
11. By signing this sales contract, you consent to receive additional marketing information, including newsletters, industry updates, research, and information from our team present at the event, as outlined in our data processing policy.
12. . Important note. While every reasonable effort will be made to adhere to the advertised package, Provision Research reserves the right to change event dates, speakers, sites or locations, omit event features, or merge the event with another event, as it deems necessary without penalty and in such situations. No refunds, part refunds or shall not be made.
13. Credit vouchers for permanently cancelled events are valid for up to 12 months to be used at another Provision event.
14. Governing law: This Agreement shall be governed and construed in accordance with the law of Gauteng and the parties submit to the exclusive jurisdiction of the South African Courts in Gauteng. However, Provision Research is only entitled to waive this right and submit to the jurisdiction of the courts in which the Client's office is located.
